

On September 23, 2025, Embrace Doubt Foundation proudly partnered with Barrington Elementary to bring energy, teamwork, and inspiration to their Health & Wellness Event.

Drills & Skills Sessions

Our team hosted a Drills & Skills session, where students got the chance to practice fun basketball activities focused on fitness, teamwork, and confidence. We were thrilled to have the Kempner High School Girls Basketball Team join us; these incredible student-athletes led all the drills, encouraged younger students, and even got some parents to join in on the fun!

We were also honored to welcome our special guest Mr. Randy Fuller, retired NFL player. Mr. Fuller, who played for teams including the Pittsburgh Steelers, and Denver Broncos, shared his time, encouragement, and wisdom with students and families, making the event even more memorable.

Randy Fuller - NFL Athlete

Special Thanks!

Special thanks to Barrington Elementary, Coach G. and Principal Mr. E. for welcoming us, to the Kempner High School Girls Basketball Team for setting such a strong example for future student-athletes, and to Mr. Randy Fuller for inspiring the next generation.

Andie's Big Serve"

In addition to the activities, we introduced families to our upcoming children's book titled "ANDIE'S BIG SERVE", created to inspire and encourage young students in our community.

Together, we're building stronger, healthier, and more confident communities.
