

Books & Bears: Ready To Soar

**HOSTED BY EMBRACE DOUBT FOUNDATION |
JULY 25, 2025 | PARK POINT MONTESSORI**

On July 25, 2025, the Embrace Doubt Foundation hosted a heartwarming and impactful event at Park Point Montessori: Books & Bears: Ready to Soar. Every student at the school received a soft teddy bear and a beautifully illustrated children's book; gifts meant to comfort, uplift, and spark the imagination of young minds.

This event was inspired by a deeply personal story from our Embrace Doubt family. Our founder's daughter, Raelynn, once attended Park Point Montessori. Like many children, she faced emotional challenges during her first days at school.

Remembering that experience, we created this initiative to ensure every child feels supported and to remind them they are never too small to dream big.

Thanks to the generosity of Sugar Land Regional Airport, each child received a book filled with inspiring messages and vibrant illustrations. Even more special, the books were signed by the illustrators who brought the story to life by talented student artists from the Kempner High School Digital Art Program. Their presence allowed the children to connect with real-life creators, reinforcing the idea that creativity and kindness go hand in hand.

Book & Bears: Ready To Soar

We're especially grateful to the Kempner High School Girls Basketball Team, who volunteered their time to distribute the books and teddy bears. These student-athletes offered encouragement, served as role models, and created beautiful moments of connection with the children. Their leadership, kindness, and energy were felt throughout the entire school.

The atmosphere was filled with joy, imagination, and encouragement. Children hugged their new bears while parents, teachers, and volunteers stood by with full hearts as they watched the power of love and community unfold. This event is a reflection of the mission behind the Embrace Doubt Foundation: to

uplift youth by combining service, leadership, and empowerment. Through efforts like Books & Bears, we not only support younger students but also provide

meaningful opportunities for high school student-athletes to lead with purpose.

Special Thanks To Our Sponsors

This event would not have been possible without the generous support of our partners:

- Sugar Land Regional Airport
- Academy Sports + Outdoors
- The Porch at Wilderness Oak
- Eugene W. Wood, Financial Advisor
- Builders of Hampton Roads
- Target
- Sugarland Space Cowboys
- Talyard
- DP Pools

To every volunteer, donor, and supporter; you helped create something truly memorable. Your kindness made a lasting impact, and together we reminded these students that they are ready to soar.
